

# TRICARE PLUS ENROLLMENT APPLICATION

**This form is for eligible beneficiaries who want to enroll in TRICARE Plus. TRICARE Plus is an enrollment option for TRICARE beneficiaries who want an affiliation with a primary care provider at a Military Treatment Facility (MTF) and are either ineligible for TRICARE Prime or prefer a more limited relationship (primary care only). Enrollment in TRICARE Plus does not guarantee access to services at the MTF, however, if you are accepted for enrollment you will be assigned to a primary care provider at the MTF. The MTF will make every effort to provide complete and comprehensive primary care services within access standards. Beneficiaries enrolled into TRICARE Plus agree to rely on their MTF primary care provider for all their non-emergency primary care.**
